

CORPORATE PROFILE

A COMPLETE HVAC MANUFACTURER

Leading manufacturer of technologically Advanced HVAC Systems and components specifically designed and developed for high performance, reliability and energy efficiency.

SAGAR AIR PVT. LTD.

About us

Envisioning HVAC technology since 3 decades

With over 30 years of engineering experience Sagar Air has specialised in the design, manufacture and installation of a wide range of air climate and air movement solutions for multiple industries. Our products are reliable, engineered to the highest standards using a combination of in-house technical expertise, high quality production facilities and a dedicated, experienced workforce. With an emphasis on design, our cost effective and energy-efficient approach is a particular strength and this is reflected in the large number of major projects we are chosen to undertake to solving the ever-changing indoor comfort through heating, ventilating and air conditioning (HVAC) systems.

Our Vision

Product Quality Maximization

“ To keep on serving our customers to the best of what we procure and constantly striving to evolve ourselves by progressing forward in product development standards, employee skill development and our clients' elevated serenity. ”

“ Our source of strength is our customers. They determine our reputation. ”

Company's Driving Forces

Powering SAGAR AIR since its inception

Firstly, **Mr. V.V. Murthy**, Managing Director & Visionary of Sagar Air

A visionary who served Indian Railways and Tata Steel at a very budding age. Had enough experience in HVAC sector to set himself into a company and begin serving customers in Hyderabad. Mr.V.V.Murthy was firm, idealistic and experienced and 3 decades before now, The company was set up in Industrial Park Uppal, Hyderabad which aimed at producing quality products serving customers all around the country.

Secondly, **Mr. V.V.E.C. Vidyasagar**, Director-Operations of Sagar Air

A successor who is on a mission to push the company forward, not compromising on the values as embedded into Sagar Air by Mr.V.V.Murthy but redefining the overall outlook of the company. He is now the administering director of Sagar Air. Mr.V.V.E.C.Vidyasagar pursued his bachelor's degree in engineering from CBIT, Hyderabad and has been associated with the company since 2 and a half decades.

He has been a member of ASHRAE since 1996 and a member of ISHRAE since 1992 serving the HVAC Sector through his expertise.

Thirdly, Powerful work-force acting as the company's most valuable asset today. Thanks to all **SAGAR AIR Employees and staff** for their dedication and reverence towards the company. We together strive for success.

Finally, The **SAGAR AIR Customers** who made this long journey strife-free and smooth. SAGAR AIR is very much delighted in serving its customers for 3 decades and shall continue to serve them.

Certifications and Awards

What we do

Our product Portfolio in a nut shell

SAGAR AIR offers a wide range of products to suit customers needs. These products are peculiarized by extravagant quality, superior performance ; thanks to SAGAR AIR's stringent fabrication techniques and know-how. Here at SAGAR AIR, We value customers' requirements and

SAGAR AIR has 5 major product divisions :

- **Air Handling Systems**

- Air Handling Units - Comfort Series
- Air Handling Units - Clean Room Series
- Air Ventilation Units
- Air Washer Units
- Web Scrubber Units
- Industrial Fans
- AHU Plenums
- Kitchen Hoods
- Fan Coil Units
- Multi Box Fans

- **Factory fabricated Ducts**

- TDF Ducting System
- TDC Ducting System
- Cleat and Drive System
- Cross Talk Attenuators
- Sound Attenuators
- Duct Risers

- **Heat Exchangers**

- Heat Exchanger Coils

- **Air Distribution Products**

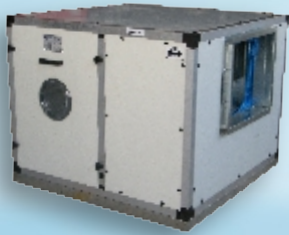

- Grilles
- Diffusers
- Exhaust Valves
- HEPA Terminals for Clean Rooms
- Flexible Duct Connectors
- Volume Control Dampers
- Back Draft Dampers
- Pressure Relief Dampers
- Collar Dampers
- Fire and Smoke Equipments
- Plenum Boxes
- Architectural Louvers
- Operation Theater Plenums

- **Desiccant Rotor Dehumidifiers**

- Standalone Type
- AHU Integrated type

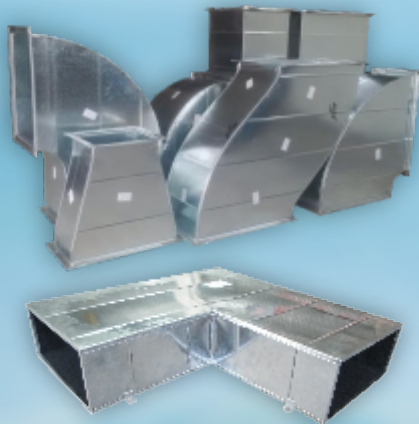

Fresh Air Products for well being and Eco - Friendly Environment

AIR HANDLING SYSTEMS

- Air Handling Units
- Desiccant Dehumidifiers
- Air Washer Units
- Air Ventilation Units
- Wet Scrubbers
- Industrial Fans
- AHU Plenums
- Kitchen Hoods
- Fan Coil Units
- Multi Box Fans

FACTORY FABRICATED DUCTS

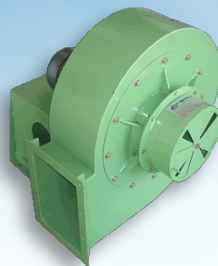

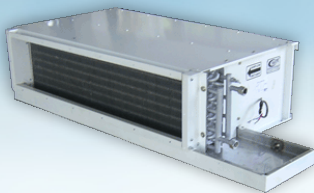

- TDF Ducts
- TDC Ducts
- Cleat and Drive System
- Cross Talk Attenuator
- Sound Attenuators
- Duct Risers

AIR DISTRIBUTION PRODUCTS

- Grilles
- Diffusers
- Exhaust Valves
- All kinds of Dampers
- Fire and Smoke Dampers
- Plenum Boxes
- OT Plenums
- Architectural Louvers
- Flexible Duct Connectors

OTHER PRODUCTS

SAGAR AIR PVT. LTD.

Address: Plot No.96-97, IDA Uppal,
Hyderabad - 500039, Telangana, INDIA.
